

Lean Fundamentals Program from SixSigma.us

Supporting organizations to solve problems with unknown solutions, from course instruction through project success.

This training is geared toward individuals that want a basic understanding of Lean or are interested in obtaining Lean Six Sigma certification.

Interested in Lean Six Sigma Certification?

You can add the 2 week Green Belt or 4 week Black Belt training and receive a Lean Six Sigma certification.

When you add the Lean Flow program to any of our Six Sigma programs, you can earn a Lean Six Sigma Certification. You will also receive the Lean Flow training at the reduced rate of only \$1500, plus the cost of your Six Sigma Certification training. Please contact us for details.
