www.6sigma.us

This is the full, completely online White Belt course offering the student an overview and introduction to Six Sigma and the DMAIC methodology. With this belt you will be able to begin your journey toward the professional competencies of the Yellow Belt, Green Belt, Black Belt, and Master Black Belt. After obtaining this first level belt, you can become a qualified team member of a Green Belt or Black Belt

Six Sigma White Belt Online Features

- ▶ Access to the training manual in electronic format with the ability to print a copy for your own use
- ▶ Ability to upgrade at a later date to the Yellow, Green and then Black Belt online programs
- ▶ Once we process your payment we will provide you with your personal online training account

Online Program Includes

- 30 days of access to online 6Sigma.us program materials
- Online Quizzes after every module (No comprehensive exam required for White Belts)
- Certificate of Six Sigma White Belt Training Completion
- Downloadable Manual for the program

Online Program Requirements

- Digital version of the same, complete White Belt program delivered to our live classroom attendees
- On-demand, 24/7 access for 30 days of access to professionally narrated online 6Sigma.us training courses
- Access to the online companion manual delivered using LockLizard for secure access with the ability to print one copy for personal use
- Certificate of completion upon successfully completing all modules and tests
- Please note there are no refunds once the program has been started or 7 Days after purchase

Online Course Syllabus

Six Sigma White Belt

- Six Sigma Overview
- Six Sigma Define Phase
- Six Sigma Project Deployment

You may upgrade during check-out to our Yellow Belt for \$100.00 and receive the following modules in addition to the White Belt concepts. This would provide you the Yellow Belt Certification. You will receive an additional 60 days access or 90 days in total. You also have the ability to purchase a printed copy of the manual (slides used in the presentation) shipped anywhere within the US.

- Process Mapping
- Cause and Effect
