## Features that make our White Belt Program Unique:

The SixSigma.us White Belt certification requires 1 day of training. The White Belt is offered to provide an overview of Lean and Six Sigma. With this Belt you will be able to begin your journey toward the professional competencies of the Yellow Belt, Green Belt, Black Belt, and Master Black Belt. After obtaining this first level belt, you can become a qualified team member of a Green Belt or Black Belt project.

## White Belt covers the following topics:

- Lean and Six Sigma Program Overviews
- Project Definition and Selection Process
- Six Sigma Deployment
- Process Mapping

## White Belt is perfect for:

- Individuals considering embarking on a Lean Six Sigma strategy
- Departments or organizations that have been charged with implementation but do not have a good understanding of Lean and/or Six Sigma Managers concerned with the status quo and interested in investigating options for productivity improvement, performance enhancement and organizational change.

SixSigma.us is an authorized provider for [PMI](#) and [IACET](#). Certificates of the students will have the renowned units PDUs or CEUs (respectively)

- 8 PDU's will be awarded for successful completion of the one day White Belt training .
- 0.4 CEU's will be awarded for successful completion of the two week Black Belt training and final exam or live project.
